The above named subcontractor has an account with WCB-Alberta in the following industry(ies):

Thank you for checking into the status of this contractor or subcontractor. Under Section 126 of the Workers' Compensation Act, you are responsible for obtaining a clearance on your contractor or subcontractor, in order to release you from any liability for unpaid WCB premiums owed by them. Please ensure clearance has been issued in the correct name and that there is coverage in the industry(ies) for which work was performed.

Please accept this letter as a clearance for work completed between the effective date of the account and the date of this letter. For this account, you are cleared of any liability under Section 126 of the Workers' Compensation Act up to the date of this letter. Any holdback may be released for contracts completed, and/or for work completed to the date of this letter. For an account that shows closed under the effective date, the clearance is only valid for work completed up to the close date. If work has not started, obtain a clearance prior to releasing final payment.

Please note, if any directors of the corporation are injured at work, you are protected from lawsuit if they have personal coverage. If they do not have personal coverage, you may not be protected in the case of a workplace injury.

If your contractor or subcontractor is performing work outside Alberta, contact the WCB in that jurisdiction to determine your clearance and any other WCB requirements.

Any alteration of this document is strictly prohibited.

Yours truly,
